DEFINITIONS

Substantial Improvement - Any reconstruction, rehabilitation, addition, or other improvement of a structure, taking place during a 1-year period in which the cumulative percentage of improvements equals or exceeds fifty (50) percent of the market value of the structure before the "start of construction" of the improvement. - b.) Any alteration of a "historic structure" provided that the alteration will not preclude the structure's continued designation as a "historic structure."
- ~~c.) Any building that has been damaged from any source or is categorized as repetitive loss.~~

Should any section, clause, line, paragraph, or part of this Ordinance be held unconstitutional or invalid for any reason, the same shall not affect the remainder of this Ordinance.
